

FUN!

LET'S BRING BACK THE FUN IN CARTOONS!

What if a disco loving moose had his own talk show but was also a secret crime fighter? Welcome to The Busta Moose Show!

Retro is back! I'm incorporating 70s funk/disco music and dance themes as well as stealing some of the elements that made 70s crime fighting TV shows successful with the use of "Naked Gun" and "Airplane" humour plus adding a really cool ride.

The Busta Moose Show is all about music, bling, showing more love to one another but also that life is one Big Positive Boogie!

The five main characters are Busta Moose, Ping & Pong, Mo, The Fabulous Mary Muffins and Dick Tator.

The Busta Moose Show is located in sunny LA with a talk show set that is a throwback to the Tonight Show meets Saturday Night Fever with curtains, disco floor, disco ball and a whole lot of bling! Intelligent humour with characters and themes that are highly relatable and offer a wide range for future development.

LET'S GET THE KIDS DANCING AND LAUGHING AGAIN!

WHY NOW? DO YOU REMEMBER RUNNING HOME AFTER SCHOOL TO WATCH YOUR FAVORITE CARTOON OR LIVE ACTION SHOW,,, I DO!

The Busta Moose Show is twenty years in the making since developing a play set with my three-year-old daughter while living in Canada. She loved it and is the inspiration for me to pursue the creation of the Busta Moose Show.

Having many Black, Lebanese, Chinese, Gay/Lesbian friends, I incorporated these character types into her play set in order to break down stereotypes but also to teach her a clear message of "Showing More Love"!
