

The Fabulous Mary Muffins

Mary Muffins is the Busta Moose Shows' in-house caterer and all-around hottie!

Mary's muffins have great healing and love power and when eaten can make nasty people very nice!

Their healing properties, along with Mary, always revive Busta Moose, especially at a crime scene where he is constantly being knocked out, again!

When the guests are hungry, Busta Moose calls out over his PA system, MARY BRING US YOUR FABUILOUS MUFFINS!

At which time, Mary comes onto the set holding her tray, offering her fabulous muffins in her racy nurses' outfit.

MO is secretly in love with Mary, as are most guests and MO goes into a full Middle East chant upon receiving his muffin and starts drawing hearts for his beloved Mary.
