# Mary's Muffy

Loyal Pet to Mary Muffins

GRRRR!!

Muffy is Mary Muffin's pet Chihuahua who is the sweetest, most loving pet to Mary.

However,,, Muffy has a split personality and can turn into a "Killer Chihuahua" when anyone attempts to look at Mary or even tries to touch her.

Similar to Milo in the movie "The Mask", Muffy grows fangs and claws, her collar changes to spikes and let's not forget those bulging eyes!

Muffy can instinctively smell out evil criminals, especially Dick Tator who Muffy has a,,, how do I say,,, a deep love for Dick Tator's pant leg!

Even Mr Moose and his band of goodies fear Muffy and don't quite know what to do when she is in the room.

Don't mess with "The Fabulous One" or you will feel the rath of Mary's Muffy!
