

THE COMMISS

DON'T MESS WITH
THE COMMISS!

The Commiss is one tough Lesbian lady who is the Commissioner for the local LA Police Force and is the only direct link to Mr Moose.

When the Police are overwhelmed,, the Commiss sends out the "Moose Call" from the top of her station in which only Mr Moose can hear,, or so he thought.

"HERE MOOSE,,, HERE MOOSE!!!"

The Commiss has one cool, electric powered motorcycle ride with many surprises. She is the local leader in the LGBT community and is a part time UFC fighter. Needless to say, The Commiss with Ping & Pong give Mr Moose a formative fighting force when taking on the evillest of criminals!
