

JIM BORN AGAIN

IT'S GOD'S WILL,, SORT OF

(Mr Moose's In-House Spiritual Advisor)

Jim Born Again is the “go to guy” when Busta Moose needs an opinion on anything spiritual or supernatural. Jim’s standard answer is always, “Well, it must be God’s will”.

Jim is also one of the most conflicted persons on the planet. One day he is an angel but on some other days that little devil on his shoulder gets the better of poor Jim!

Joe The Bum and Jim really don’t like each other and are in a constant debate/battle between science, truth and religion.

Mo isn’t one of Jim’s biggest fans either with the crossing of two cultures and religions. What really gets MO upset is that Jim secretly lusts for the Fabulous one.

Jim can be seen walking around the set mumbling to himself with the shoulder angle and devil constantly having a go at each other!
