

DICK TATOR

I'M THE GREATEST CRIMINAL EVER!

Dick Tator is the undisputed leader of the world's most notorious criminal organisation.

Dick is extremely jealous of Busta Moose and his show ratings and wants to destroy Busta Moose and all his friends.

Dick is driven by fame and greed and has his own secret lair in which he plans his next attack on the good citizens of LA.

Dick's super power is the hypnotising of others to do his will when he takes off his glasses and stares directly in their eyes with his spinning eyeballs.

Dick is also in "lust" with Mary Muffins and is temporary subdued into being a nice guy when a muffin is stuffed in his mouth by the Fabulous one!
