

CYBERBULLY

On-Line Troll

Cyber Bully is one of the most hated criminals in LA, if not the world.

Since Dick Tator is banned from all social media sites, he recruited Cyberbully to do all his dirty work and spread on-line fake news and misinformation!

Cyberbully does everything in his power on-line to emotionally destroy all things good and anyone related to Busta Moose or his group of friends!

Cyberbully is tasked with constantly trolling Mary Muffins with on-line lies and the loading of pics of Jim Born Again in his underwear to his church web page!

He also interrupts Live Busta Moose Show's on-line Zoom calls and Podcasts.

Cyber Bully also fancies The Fabulous one but avoids eating her muffins due to their happiness and love effects.
