DOUBLE K IS IN THE HOUSE

Every talk show must have their own in-house music.

Kelvin Kool is Busta Moose's own house DJ/scratcher who plays the hottest disco and funky tunes to get the guests and audience boogying!

Along with Bodacious, they make a great entertainment team and get everyone to "Get Off of That Thing and Dance to You Feel Better!"

Kelvin is one Kool Dude and is also a 70's throwback with influences from Grand Master Flash, Bootsy Collins and Shaft.

Kelvin doesn't say too much but when asked a question from Busta Moose, he only responds with "KOOL".

Double K is in the house!
