★ BUSTA MOOSE'S PERSONAL BODY GUARDS ★

Partly because of his popularity and also because of his dedication to fighting crime, Busta Moose has two badass body guards called Ping & Pong.

These ladies don't say too much but let their skill in fighting and martial arts weaponry do the talking for them.

When a crime is being committed, Ping & Pong are also the chauffeurs in the Moose Mobile.

Along with THE COMMISS, these ladies are the real reluctant heroes in fighting criminals especially with Busta Moose constantly being knocked out within minutes upon arriving at a crime scene!

When you mess with the Moose, you receive the rath of the TWINS!
